Terms of Engagement

Membership

- Every member of an affiliated club/syndicate must hold a current BASC membership and pay through the affiliated club/syndicate, even if they already hold another BASC membership.
- If a member pays for more than one BASC membership, BASC will contact them directly to arrange any reimbursement due.
- BASC does not require clubs/syndicates to collect subscriptions from individuals who are only on a waiting list.
- BASC accepts pro-rata membership payments for members joining an affiliated club/syndicate during the membership year.
- It is the responsibility of the club/syndicate to obtain members' consent to share their personal data with BASC, in accordance with UK data protection legislation.
- Clubs/syndicates must keep their membership records accurate and up to date. Failure to do so may affect insurance cover and access to BASC services.
- Clubs/syndicate members have access to all other standard member benefits.

Guests

- BASC affiliated clubs/syndicates can invite occasional guests to shoot with them under the insurance policy. However, participation must be officially recorded, noting their name, DOB, address, the date and activity they are undertaking.
- Guests must not exceed 50% of the party, except guests of wildfowling and deer stalking clubs/syndicates who can host guests at a 1:2 member-to-guest ratio.
- Guests who attend and shoot on a regular basis (for example, probationary or prospective members) are not considered occasional guests and must become BASC members.

Insurance and Documentation

- Once your affiliation has been processed, BASC will provide:
    - A receipt
    - An updated list of affiliated members
    - Each affiliated member will receive their BASC membership card and ‘Insurance Product Information Document’ (IPID) directly to their home address.
- The latest versions of the insurance documentation can be found on our website; https://basc.org.uk/join/clubs-and-syndicates/
- The policies cover recreational activities only.
- BASC’s insurance cover is in place year-round and includes essential management work both before and after the shooting season.
- Affiliated club/syndicates can take advantage of the additional public liability cover for events that are held for fundraising, education or raising awareness.
- We encourage all our club/syndicates to act according to the relevant Codes of Practice.

Agreement

By submitting your affiliation application form, you confirm that your club/syndicate has read, understood and agrees to comply with these Terms of Engagement.
