BASC expects all shooting, conservation and gamekeeping to be conducted according to the relevant codes of practice and the *Code of Good Shooting Practice*.

NB: By joining BASC you also agree to abide by the following rules:

- a) Every shooting member is a member of BASC. Only members and official guests are allowed to shoot with you.
- b) Where we ask that every shooting member is a member of BASC, to avoid our affiliated clubs/syndicates excluding payment for any of their members (the only exception being LIFE members of BASC) we mention that all members should be paid for irrespective of already having membership with us and that it is the responsibility of the member to write to BASC to request a refund of a duplicate membership.

Failure to comply with these rules could inhibit an insurance claim and reduce access to other BASC services.

Please sign and date this form in acceptance of these rules.
