PURPOSE-BUILT. BUSINESS-DRIVEN.

The New Mitsubishi L200 Commercial is engineered to meet the demands of modern business. Available in both Titan and Barbarian specifications, it delivers the perfect balance of capability, practicality and premium comfort.

Purpose-built to maximise load capacity and operational efficiency, the L200 Commercial combines a robust, hard-working design with a refined interior and high levels of specification. With full commercial vehicle status, it also offers significant tax advantages for business users.

- **VAT reclaimable**
- **Fixed road tax of £360***
- **100% Capital Allowance retained**

For businesses that demand more from their vehicles, the L200 Commercial is ready to perform, day in and day out.

*Cost for 12 months road tax, for vehicles taxed after 1st April 2026. Correct at time of publication but liable to change.
