I am a local shooter who is a member of BASC. As a member of BASC I have £10million of liability cover.

This cover also extends to cover the landowner and or occupier of land; In the event of any claim in respect of which I would be entitled to receive indemnity under the BASC policy being brought or made against another principal such as the owner or occupier of the land who has given me permission to shoot, the Insurer will indemnify the other principal against such claim and/or any costs, charges and expenses in respect thereof.

Please contact me with any shooting opportunities for:

- *Game**
- *Wildfowling**
- *Both**

I am prepared to offer services to help control:

- *The pest bird species listed on the relevant general licences, such as woodpigeon, corvids,**
- *Pest mammals such as squirrel, rabbit and rat**
- *Deer**
- *Fox**

*(*delete as necessary)*

BASC is a national representative body for sporting shooting offering a range of benefits and services to the shooting community.
