Special or unusual conditions and terms of this policy

The policy comes with some important conditions and terms that you need to be aware of:

1) Prospects of success

We will make our decision on whether to cover your claim based on a legal opinion from your representative (and any professional advice we regard necessary) on whether your claim has at least a 51% chance of:

- being found not guilty in the defence of a criminal prosecution
- securing a significant reduction of your punishment or fine if pleading guilty in a criminal prosecution
- successfully appealing the decision of the relevant authority

If there is 50% or less chance of the above we will not provide cover.

2) Defined terms

Some of the words in your policy have a specific meaning and we have highlighted these to you by showing them in **bold** print. Please see the **Defined terms** section at the end of this policy to see what these words mean.

Claims conditions

There are conditions contained below which must be complied with or met for **us** to provide cover under this **policy**.

1. How and when to make a claim

Contact details for The Claims Department can be found in the Welcome page of this policy

We will only cover **claims** that **you** tell **us** about during **your period of insurance**.

You must tell **us** as soon as possible when **you** become aware of any cause, event or circumstance which does or may involve **you** and which has given, or may give rise to a **claim**, dispute or legal proceedings.

Where **we** have accepted notification as described above, **we** will treat any later **claim** regarding that notified cause, event or circumstance as though the **claim** had been notified during the **period of insurance**.

We will send **you** an insurance claim form that must be completed and returned as soon as possible.

2. When we will agree to cover your claim

Our consent

We will only cover **claims** where **you** have obtained **our** consent in writing before incurring any **costs**. **We** will give **our** consent for **you** to incur **costs** provided that **you** can satisfy **us** throughout **your claim** that:

- It is reasonable and proportionate (in relation to **your claim**) to incur **costs**
- there are **reasonable prospects of success**

If during the course of **your claim** **you** no longer satisfy **us** of the above, cover under this **policy** for **costs** will be withdrawn and any **costs** incurred awarded on or after the date of withdrawal will not be covered whether **we** previously agreed to them or not.

We will make **our** decision on whether to cover **your claim** based on:

- A fully completed insurance claim form
- The information and documentation **we** reasonably request
- A legal opinion from **your representative** on whether **your claim** has **reasonable prospects of success** and any professional advice **we** regard necessary

If **your claim** is accepted by **us**, it does not always mean that all **costs** will be paid, for example **we** will not cover **costs** for things that are not directly relevant to **your claim**. **We** may also limit any cover **we** provide by time, amount or to a specific stage of legal proceedings in order to allow **us** to review **our** continued acceptance of **your claim**.

If after accepting **your claim**, it is shown that **your claim** has not been brought within the terms and conditions of the **policy**, no further cover will be provided and **we** will recover from **you** any **costs** **we** have paid.

Counsel's opinion

At **our** discretion **we** may also require **you** to obtain a legal opinion from Counsel at **your** expense to satisfy **us** that there are **reasonable prospects of success** and it is reasonable and proportionate (in relation to **your claim**) to incur **costs**.

If based on Counsel's opinion **we** are satisfied in respect of the above the reasonable **costs** of obtaining that opinion will be paid by **us** subject to the **excess** and the limits shown in **your policy** schedule.

Claims rejected due to a lack of reasonable prospects of success

If **we** rejected **your claim** solely due to a lack of **reasonable prospects of success**, **we** will pay **costs** that are reasonable and proportionate to the legal and/or financial remedy achieved, subject to the terms and conditions of this **policy** if:

- **You** proceeded with the legal action which formed **your claim** to its conclusion with a Court, Tribunal or equivalent having issued a judgment (excluding any settlement, mediation, alternative dispute resolution or equivalent resolution process) and were successful
- **You** were defending, the judgment found **you** were not at fault
- **You** were pursuing, the judgment awarded **you** the remedy **you** were seeking at the time **we** rejected **your claim**
- **You** tell **us** about it as soon as possible

3. Settlements

You must inform **us** as soon as an offer of settlement is received and **you** must obtain **our** consent before **you** make or respond to any offer of settlement.

In any settlement **you** must:

- Take into account the prospects of the case and likely future **costs**
- Try to recover as much **costs** as possible

If **you** unreasonably reject an offer of settlement which **we** recommend acceptance of or make an offer which **we** do not agree with, no further cover will be provided and **we** may seek to recover from **you costs we** have paid.

At **our** discretion, instead of covering **you** for **costs**, **we** can choose to pay:

- The damages **you** are likely to be awarded by a Court or Tribunal or
- The amount of money being claimed against **you** or the amount of money the other party will settle for, whichever is the lesser

If **we** choose to do this, then **your claim** will end and no further payments of **costs** will be made.

4. Co-operation

You must co-operate with **us** and **your representative** at all times during the course of **your claim** this includes:

- Allowing **us** and **your representative** to communicate directly with each other about **your** case
- Providing a full and truthful account of **your** case and with all necessary documentation or evidence
- Attending any meetings as required
- Instructing **your representative** to provide **us** with information, documentation or evidence **we** require (even if privileged) and regular updates including when anything negatively affects the factors **we** took into account in accepting **your claim**.

5. Recovery of costs

If the outcome of **your** case is that another party is found responsible for reimbursing **you** for some or all of **your costs**, **you** and **your representative** must make every effort to fully recover those **costs** which **you** must pay to **us**.

If the legal case was settled and the terms of the settlement do not specify the split between damages and costs then a fair and reasonable proportion of that settlement will be treated as **costs** and paid to **us**.

If any money is recovered from the other party then that money will be treated as **costs** and repaid to **us** first until all **costs** have been repaid to **us**.

6. Payment of costs

A copy of all invoices for **costs you** receive from **your representative** should be forwarded to **us** within 30 days of the date the invoice was issued. If **we** require, **you** must ask **your representative** to send the costs for assessment by a Court or Tribunal or to a costs lawyer of **our** choice.

You are responsible for the payment of all **costs**. **We** will reimburse **you** for the **costs** subject to the **excesses** and the limits shown in **your policy** schedule. **We** may settle these **costs** directly if **we** choose to do so.

7. Appeals

If **you** wish to appeal against the judgment or decision of a Court or Tribunal or if there is an appeal against a judgment that is in **your** favour, **we** will consider providing further cover if:

- **We** covered the initial legal proceedings that are being appealed as a **claim** and cover was not withdrawn
- The grounds for the appeal were submitted to **us** as soon as possible and before any deadline set by the Court or Tribunal

If **we** require, **you** must co-operate in an appeal against the judgment or decision of a Court or Tribunal.

8. Instruction and choice of your representative, Counsel and experts

In all cases **your representative** will be appointed in **your** name and on **your** behalf.

We will choose a **representative** to act on **your** behalf other than at the point of an inquiry or legal proceedings where **you** will have freedom to choose **your representative** subject to **us** approving **your** choice.

You will also have freedom to choose **your representative** if there is a legal conflict of interest between **you** and **us** subject to **us** approving **your** choice.

When selecting **your representative**, **you** must have regard to **your** duty to minimise the cost of any **claim**.

The name and address of **your** chosen **representative** must be notified to **us** in writing. **We** will accept **your** choice if:

- **We** are satisfied that **your** chosen **representative** will co-operate with **us** and enable **you** to comply with the terms and conditions of **your policy**
- The **representative** has the necessary experience to deal with the dispute
- The **representative's** charging rates are fair and reasonable in regard to the dispute

A dispute arising from **your** choice of **representative** may be referred to arbitration in accordance with **Important information – How to make a complaint**.

You must not enter into any agreement with **your representative** as to the basis of calculation of **costs** without **our** written consent.

If in any **claim** **your representative** wishes to instruct Counsel or an expert the following must be submitted to **us** for **our** approval:

- The expert's or Counsel's name
- Details of their expertise
- Charging rates and estimated cost
- An explanation of the need for such instruction

If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information **we** will treat **your policy** as if it never existed and decline all **claims**.

If **we** establish that **you** carelessly provided **us** with false or misleading information it could adversely affect **your policy** and any **claim**. For example, **we** may:

- Amend the terms of **your policy**. **We** may apply these terms as if they were already in place if a **claim** has been negatively affected by **your** carelessness

- If the **policyholder** has not paid the premium
- A change in risk which means that **we** can no longer provide **you** with this cover
- If the **policyholder** does not supply any information or documentation that **we** have asked for
