

The British Association for Shooting & Conservation

POACHING PREVENTION OFFICER
Part-Time
0.4 FTE
12 Month Contract

Starting salary: £27,439 pro rata (£10,988)

BASC is the largest sporting shooting organisation in the UK, serving a growing membership of over 155,000 and a wide variety of stakeholder and public interests. It acts as a representative body for sporting shooting - fostering opportunity, safety, high standards and wildlife conservation.

BASC seeking an individual to support the Head of Game and Gundogs to tackle poaching and rural crime with the Head of Game and Gundogs acting as the Plan Owner and Chair of the National Poaching Priority Delivery Group. The role of the Poaching Prevention Officer is to help further develop and deliver this work. It is on an initial 12 months basis with the possibility of extension.

Working within a small team and reporting to the Head of Game and Gundogs this role will be home based with regular interaction with the Game and Gundogs Department and attendance at a number of specific events.

The successful candidate will demonstrate:

- A flexible approach to work with the ability to work independently
- Good communication skills with the capability to maintain a network of contacts
- Proven knowledge and experience of the intelligence and enforcement services
- An understanding of the policing of poaching, rural and wildlife crime
- Proven experience of partnership working
- Empathy with BASC, its members and the rural community.
